

National Utility Contractors Association

2023 Member Join Form — **Excavator / Contractor Companies**

Excavator / Utility Contractor: Any person, firm, or corporation engaged in the construction and/or rehabilitation of utility systems including, but not limited to, storm sewers, sanitary sewers and drainage systems, water lines, cables (underground communication and electric), ducts, conduits, gas lines, tunneling, boring, trenchless construction, treatment systems, pump stations and other utility construction.

YES! We want to join **NUCA NJ** today and reap the benefits of state & national representation – the support of two utility trade associations in one membership! Who recommended that you join NUCA? _____

I understand that \$15 of my dues will be applied toward my subscription to Utility Contractor magazine. NUCA dues may be deducted as a business expense, but not as a charitable contribution. The Internal Revenue Service limits the amount of business expense deductions for dues paid to an association that engages in lobbying activities even if dues are not used for lobbying. The amount excluded for 2019 is 29% based on IRS criteria.
